Class Description:

These bags are making an awesome comeback... And you can make them show your personality. The Alpen Bag fits around your waist, or crossbody, with easy access to your phone and all the essentials. . Of course, as I often do, I have added my twist of interior pockets for easy organization. The bag itself finishes at 7"W x 4"H x 2 1/2"D. Don't let making bags scare you. We'll work step by step to make it easy. A list of prep work will be emailed prior to class.
