### Class Description:

Say good-bye to all of those messy threads, clippings and cuttings that are generated while in creative mode. Sew In Style Thread Catcher is a combination pincushion and scrap bag all in one. It's not only a pretty addition to your work space, but oh-so-practical, too! Oh, and don't forget the handy little scissor holder. With any luck, you could have it done before you go home!!! How clever is that?

**Dave's Bernina will be providing 735/770 Bernina machines, 1/4" foot, stitch plate, bobbin and bobbin fill and needles**

### Fabric Requirements:
