MARCH 25-28, 2026

UINTAH CONFERENCE CENTER VERNAL, UT

www.sewsimplystitched.com

Class:	<i>Soda Pop Blossom Applique</i>	
Date/Time:	Wednesday, March 25, 2026	Noon to 3:00 pm
Instructor:	Jennifer Harrison jennifersharrison@gmail.com	
Class Tuition:	\$40	
Class Kit:	Cost: \$5.00, available in class from instructor	
Skill Level:	All Skills Welcome	

Class Description:

Soda Pop Blossom is an easy, beginner friendly applique quilt with lots of gentle curves - perfect for practicing your applique stitch! Make just one block, or complete the entire quilt. We will only be hand sewing in class, and will spend most of our time practicing your stitches. You will be taught two different ways to prepare your pieces and will begin stitching petals and leaves in class. Machine piecing is required in this project, but we will not spend class time using machines so we can maximize our hand sewing time. Instructor will email you with instructions for cutting/prep prior to class as well as where to purchase pattern.

Fabric Requirements:

For one block:

- 1 half yard (background)
- 1 fat 1/8th for petals
- 1 fat 1/8th for leaves
- scraps for center star block.

For entire quilt, see pattern or email instructor. Note that this quilt is a great scrap/stash buster! If you want to make the entire quilt with a single background color, you will need 4 yards.

Supplies Needed:

- Fabric scissors
- paper scissors
- sharp pencil
- small iron if possible
- ironing mat
- Pins
- Fabric
- pattern or device you can view it on

****No sewing machine needed for class**
