Class Kit:	TBD	
Skill Level:	All Skills Welcome	

Class Description:

Come join Stacie and learn to make a adorable Blanket Lovie baby gift.

These are made using In The Hoop embroidery techniques. We will be using the Design by JUJU In the hoop (ITH) Dino baby DBJJITH184 and Fox baby blanket lovie DBJJITH186, designs for the class. I have selected these two patterns for class, please decide which one you want to make. We will have kits available closer to the event. The Dino kit will be more for a boy and the Fox kit will be more for a girl.

This Class will give you the knowledge you need to make the other designs on your own. I will also provide a different blanket option that I developed.

The blanket part of the lovie is about 14 inch's square. The head size is about 4-5 inches.

**Dave's Bernina will be providing embroidery machines and any Bernina accessories needed for this class, including hoops!
