Skill Level:	Confident Beginner	

Class Description:

If you shy away from zipper projects, it might be time to fix your love/hate relationship with zippers! Most quilters avoid projects that have a zipper so come and sew a zipper pouch or two and see how easy zippers really can be. In class we will be making the **Wilma Pouch**. We will assemble and quilt the bag exterior, add the zipper and complete the bag in class. We will use the new **Box Bag Template Ruler** to make the boxed corners. It really is as easy as it sounds.

With the remaining time you will have the option of also making the **Cork Bottom Pencil Pouch**. We probably won't get both completed in class, but you should be able to get the second bag close to completion.

Fabric Requirements:

Wilma Pouch pattern \$10.25

1 mini charm pack or (36) 2½" squares

1 Fat Eighth cross weave or accent fabric for the outside

¼ yard coordinating fabric for the lining

12" Zipper

14" x 18" piece of Soft & Stable

OPTIONAL Box Bag Template Ruler

Cork Bottom Pencil Pouch pattern \$10.25

1 mini charm pack or (24) 2½" squares

1 coordinating fat quarter for the lining

7" x 14" cork fabric \$8.85

12" Zipper

15" x 15" piece of Soft & Stable

OPTIONAL Box Bag Template Ruler

Supplies Needed:

- Sewing machine in good working condition
- Rotary Cutting Mat and basic ruler
- Rotary cutter with a new blade
- Thread, scissors, seam ripper (just in case)
- Pins and or clips
- Zipper foot is totally optional. I don't use one but if you prefer to, bring it. Come in comfy clothes ready to sew a couple of zipper pouches. Bring your happy "I can sew zippers" attitude and let's see what we can accomplish.
