<b>Skill Level:</b>	Confident Beginner	

### Class Description:

This is a beautiful quilt that looks more difficult than it is. We will make it even easier by using quick cutting and piecing techniques. Squaring up the pieces before sewing them together makes it more precise. Strip piecing will also save money on excess fabric.

Learn how to convert pattern instructions to make quilt blocks using less fabric and cutting fewer pieces. We will use strip piecing and other techniques to speed piece and make this quilt in less time. Students will receive handouts and make half square triangles 8 at a time instead of 1 at a time; and flying geese 4 at a time instead of 1 at a time.

We will complete the Center Star and work on the surrounding sections of the center medallion.
