Class Description:

This bright, happy quilt is fun to make and a great way to practice perfecting the points on your stars. Each block is made from one fat quarter.

We will pre-cut the fabric before class so that we can begin sewing right away. You should be able to finish at least one of the Flutter blocks in class, or several more depending on your quilting experience. You will learn sewing and layout tips to make your blocks come together efficiently and with precision. We will practice organization of block components to prevent errors in placement.

Fabric Requirements:

- 21 Fat Quarters
- 4¼ yards of high contrast background fabric
- 5/8 yard of binding
- 5 yards of backing
- Binding and backing won't be needed for class
