Class Description:

Love the look of sharp points, detailed designs, and blocks that look like they couldn't possibly be sewn? The secret is foundation paper piecing (FPP)—and once you learn it, you'll be hooked! In this class, we'll take the mystery out of paper piecing and walk you through step by step. You'll learn how to:

- Read and organize paper piecing patterns
- Position and stitch fabrics for perfect points every time
- Trim, press, and join sections with confidence
- Explore creative designs only possible with FPP

Whether you're brand new to paper piecing or want to polish your skills, you'll leave class with new techniques, tips, and a project you'll be proud to show off. Paper piecing opens up a whole new world of quilt designs—come join us and give it a try!
