What happens if you take the bear paw block, eliminate the sashing, and stretch the block? Lazy Bear, that's what. This quilt is a great stash or scrap buster quilt. No need to shop for this one - use what you have! Choose a single color, or spectrum, and start cutting your scraps! In this class we will cover accurate piecing for flying geese blocks, color placement, and will also cover how to use freezer paper to foundation piece the flying geese (if you wish to) with NO paper removal. Bring extra scraps if you'd like, to swap with other students for greater variety in your quilt and to include some extra Sew Simply Stitched memories in your project. Your instructor will have some scraps from her stash to throw in the mix as well. You can make fewer blocks for a baby quilt, or just one row for a runner.

Fabric Requirements:

- 64) 4.5" x 6.5" scraps
- (320) 2.5" squares, or 20 jelly roll strips for triangles

- 4 yards backing
- 1/2 yard binding
