Instructor:	thequiltersnest@gmail.com	
Class Tuition:	\$40	
Class Kit:	Pattern is \$9.50 on Etsy Kit \$20 info below	
Skill Level:	All Levels (first timers & Experience)	

Class Description:

Your favorite FPP teacher is back at it again!! Join us this year in making a picture-perfect Polaroid quilt! This pattern is a fun all-skill levels foundation paper piecing pattern with a lot of flexibility in design. Whether you've never paper pieced or you're a pro, you'll love how fun this 58x74" quilt turns out. And, not only will you be sharpening those FPP skills, but you'll also learn a variety of ways to print on fabric at home during this class. We'll spend our time together assembling the awesome 18" Polaroid camera in class and even assemble some Polaroid picture blocks...including a block with a photo of your choice (teacher will provide). You can decide if you want to complete this quilt with your favorite photos or feature your favorite fabric collections! Don't miss out on what's sure to be another popular class at the 2024 event!

Fabric Requirements:

This quilt is great because you have a lot of freedom. The size of the quilt, the layout, if you want the tilted photos or not, where you want the camera, or how large you would like each block. My sample is 51" x 61" The fabric requirements below are for that finished size. My sample size lap quilt is approx xx" x 00" with 38 eight-inch blocks and one 16" block.

- Background - 3 yards
- Polaroid Picture Outline/Camera (white) - 1 1/2 yards
- Polaroid Camera Details (Med Grey) - 1/8 of a yard
- Polaroid Camera Details (Dark Grey) - 1/8 of a yard
- Polaroid Camera Details (Small scraps of red, yellow, blue, and black)
- 36-63 pieces of the "photo" of each Polaroid: 4 1/2 x 5" scrap or fussy cut piece of fabric. I used a couple of charm packs for a lot of my photo centers.

Supplies Needed:

- Sewing Machine & neutral thread
- Basic Sewing Kit
- Iron & Iron Pad
- Rotary Cutter & Small Mat
- Glue Stick
- Thin Sharpie Marker (black)
- Add-A-Quarter Ruler 6" ruler <https://amzn.to/3DxQrSX>

Pattern: <https://www.etsy.com/listing/1332278620/camera-and-photo-foundation-paper-piece>

Kit: \$20 paid to instructor (includes 36 foundation paper copies (enough to complete lap-size quilt), 1 Printed Photo* on Fabric, Tape, Plastic, 2pg FPP Tip Sheet, Template Plastic, and Additional Pattern Info Sheet (pattern is incomplete offers no directions.)
