Class Description:

This rainbow quilt features freezer paper foundation piecing which creates such interesting movement within the blocks. The original quilt is made from Everglow Collection fabrics by Tula Pink but would also be great to make from your stash. The pattern also includes a coloring sheet which makes choosing the fabrics so much easier. This fun technique combined with your rainbow stash of fabrics will make this quilt one of your favorites when it's finished. And Lori will teach you all her tips for organizing prepping and organizing your process.
