

Sew Simply Stitched

QUILTING & SEWING RETREAT

MARCH 20-23, 2024

UINTAH CONFERENCE CENTER VERNAL, UT

www.sewsimplystitched.com

Class:	Quilted Chore Coat	
Date/Time:	Thursday, March 21, 2024	8am to 11 am
Instructor:	Amy Mitchell	amy@sewsimplystitched.com
Class Tuition:	\$40	
Class Kit:	\$30 Pattern Kit-pattern and full size sheets of pattern (incl. shipping)	
Skill Level:	Confident Beginner	

Class Description:

Have you ever wanted to wear your favorite quilt? Or maybe you found one at the store and just wanted to wrap up in it? The possibilities are endless! This darling coat can be made reversible and will just get better with age and washing. We will cover some of the easy shortcuts and tips to make this darling coat.

Purchase the pattern online and print at home or order the pattern kit and I will ship full size pattern sheets to you and give you the printed pattern at the retreat. I will also send a video to everyone to help with the prep prior to class, so as soon as class starts, we will get sewing and can get this ready to wear! Don't be afraid of the button holes, we can help with that too!

Pattern can be found at PATCHWORKANDPOODLES.COM or on

Etsy: Chore Coat by PatchworkandPoodles

Fabric Requirements:

Pre-made quilt 60"x 60" for XXS-M, 70"x 60" for L-3XL for collared coat

Pre-made quilt 60"x 60" for XXS-M, 70"x 60" for L-3XL for coat with hood

Pre-quilted fabric 42" wide: 3 yds for XXS—L, 3.75 yds for XL-3XL

I highly recommend using a pre-quilted quilt, either of your own, go to a thrift store or a store like Home Goods or TJ Maxx and get a finished quilt.

Supplies Needed:

- 1/2" twill tape - 1/2 yard
- 1/2" wide double fold bias tape binding (this is included in the fabric requirement above, but mentioned here if you prefer to purchase your bias binding instead of making it.) - 4.5 yards double fold bias tape for View A - 5.5 yards double fold bias tape for View B Buttons - (I recommend making your own to ensure you get the quality you desire)
- 1": Sizes XXS-L require 4 buttons, sizes XL-3XL require 5 buttons. If making your coat reversible, you'll need twice as many buttons as indicated.
- Sewing machine and neutral thread
- Basic Sewing Kit (Scissors, seam ripper, pins, wonder clips, pencil)
