Class Description:

We had so much fun with the class last year, let's do it again! This is truly an 'everything' bag! It can be used for anything & everything. It is already one of my new favorite bags. There are three sizes. I made the medium and it holds 2 12"x12" boxes and my large rotating mat. I've loaded it with projects, quilts, even a small sewing machine. You can choose to make the medium or the large bag. **There will be prep work to be done before class.

Finished sizes: Small 11" x 14" x 8", Medium 11" x 16" x 8", Large 11" x 18" x 8"

Fabric Requirements for 1 bag:

- 1 yard main Fabric non-directional
- 1 yard Lining Fabric
- ¾ yd Accent Fabric (Binding and Handles)
- 1 yard Soft and Stable (ByAnnie's brand is ideal)
- 1 ½" handle webbing: webbing to cover with fabric or decorative webbing. Amazon does have some nice decorative webbings, so does Emmalinebags.com and SallieTomato.com. Remember to get 1 ½" wide webbing.
- ByAnnie's Base Stabilizer (This is a clear acrylic piece that fits in the bottom of your bag. It adds support to the bottom of bags and totes.

Supplies Needed:

- Pattern All The Things Tote by Knot & Thread Design
- Sewing machine in good working order. Don't forget the power cord or foot pedal!
- New sewing machine needle: recommendation 16/100 denim needle, definitely at least a 14/90 Universal Needle
- Basic sewing supplies: scissors, pins, marking tool, seam ripper, binding clips, etc.
- Rotary Cutter, new blade preferred
- Small cutting board (optional)

I will have many supplies and tools to sell including the pattern (\$12) and the ByAnnies Base Stabilizer (\$20)

**Instructor will email prep work prior to event.
