

Sew Simply Stitched

QUILTING & SEWING RETREAT

MARCH 23-26, 2021

UINTAH CONFERENCE CENTER VERNAL, UT

www.sewsimplystitched.com

Class:	<i>Fabulously Simple Shortcuts with a 24" Ruler</i>	
Date/Time:	Friday, March 25th, 2022	3:45 to 6:45 pm
Instructor:	Lori Allred	
Class Tuition:	\$40	
Class Kit:	COST: \$12.00 Laminated Shortcut Sheet and 43" x 55" Quilt Pattern	
Skill Level:	Strong Beginner to Intermediate	

It might be magic, it might just be math! Come learn how to make multiple units at the same time using only a standard **24" quilting ruler**. Learning the benefits of this shortcut method will save you money not buying specialty rulers, piece-perfect units to build complex blocks and save time and produce gorgeous quilts. Lori will demonstrate a variety of blocks and the pattern used for this class will cover:

Half Square Triangles, learn to make up to 100 in an hour, in multiple color combinations. Learn how to calculate what you need for your quilt.... with measurements for 4 different sizes.

Hourglass - the 4 triangle version of the quarter square triangle, make 44 at the same time. Use from 2 to 4 fabrics and make the left and right units of the 4 fabric version, all from the same sheet.

Come join us to learn why this method works! The directions are explicit and easy to follow and they will certainly reduce time spent making individual pieces.

Fabric Requirements:

- Six coordinating fabrics (yardage info will be emailed out prior to class)

Supplies Needed:

- Sewing machine and coordinating thread
- Basic sewing kit (scissors, Pins, seam ripper, ect.)
- rotary cutting mat
- 24" Ruler, iron, ironing mat.

**** Optional:** Seam Guide (this is crucial to making this method work accurately). I will have these available in class, but if you want to make sure you get one you can pre-order. **COST: \$12**
