Love me, loves me not...will I ever know?? Yes! With what looks like intricate curved piecing on this sweet throw isn't actually piecing, but rather curved appliques' layered atop an easy-to-make foundation block. Not only will you learn this method, but I will also be teaching you to make your blocks look hand sewn by using the sewing machine. You'd be surprised how this all comes together!

Dave's Bernina will be providing 735/770 Bernina machines, 1/4" foot, stitch plate, bobbin and bobbin fill and needles
